

I am voicing my opinion on the possibility of losing my favorite radio station 93.1 KLOVE due to Low Power FM. This may affect my radio station to be taken away. First of all, KLOVE is the only christian radio station in my local area. It is a positive and encouraging radio station that provides christian values to listeners in San Antonio. Many of the youth in our church (St. James Catholic Church) in San Antonio listen to KLOVE because it better than the other junk out there. The current listener would be very disappointed if KLOVE were to be displaced with an LPFM broadcast. KLOVE serves the public interest with christian values, positive and encouraging music, and a love for my savior Jesus Christ. At this moment I pray that God will give you the wisdom to make the right decision. May God's peace be with you and your family.
